FACEBOOK QUESTIONS

When the United States Patent Office, in a federal hearing, said that I invented the core technology operating Facebook and then refused to give me my patent paperwork, it seemed like

TSH

1 the game might be rigged. I hired ex FBI and CIA agents to check it out... BOY, was it ever rigged.
2 Facebook's own staff and investors worked INSIDE the U.S. Patent Office. Then they showed me
3 that most of the Obama and Biden Administration COVERTLY OWN FACEBOOK!!!

4 What U.S. judge or regulator is complaining? Who would complain about Sands Capital's
5 failure to file the S.E.C. Form SC 13G notices of acquisition of Facebook, Baidu and Athenahealth
6 stock?

7 **Not S.E.C Chairman Mary L. Schapiro**—she held a boatload of “dark pool” Fidelity,
8 Vanguard, AllianceBern, TIAA-CREF and T. Rowe Price funds.

9 **Not Commerce Secretary #1 Rebecca M. Blank**—she held TIAA-CREF, Vanguard and
10 Fidelity funds.

11 **Not Commerce Secretary #2 Penny S. Pritzker**—she holds up to \$23.4 million Morgan
12 Stanley, JPMorgan and Goldman Sachs Facebook dark pools.

13 **Not Attorney General Eric H. Holder**—he held T. Rowe Price and Fidelity funds. In fact,
14 Holder held Fidelity Contrafund, the largest single Facebook mutual fund stock holder, valued at
15 \$413 million.

16 Who in the judiciary would complain?

17 **Not Leader v. Facebook Chief Justice John G. Roberts, Jr.**—he held Microsoft, T.
18 Rowe Price, Fidelity, Janus, Vanguard and Blackrock funds, including Fidelity Contrafund.

19 **Not Leader v. Facebook Federal Circuit Judges Alan D. Lourie, Kimberly A. Moore**
20 **and Evan J. Wallach**—they held Fidelity, Vanguard and T. Rowe Price funds, including Fidelity
21 Contrafund.

22 **Not Leader v. Facebook District Court Judge Leonard P. Stark**—he held Vanguard and
23 Fidelity funds.

24 **Not Leader v. Facebook Patent Office Director David J. Kappos**—he held over a

TSH

1 million dollars of Vanguard funds.

2 We uncovered a felony, organized crime-level of QUID PRO QUO media manipulation,
3 RICO violations and anti-trust law violations between government officials and Facebook
4 blockading my patent and business rights. Over 500 high level government officials own Facebook
5 and harm it's competitors to protect their insider trading stocks.

6 We noticed nobody every prosecutes these people.

7 Can the Court or the Defendants explain that?

8
9 **DOES ANYONE IN THE COURT ASSOCIATED WITH MY CASE, OR THEIR**
10 **FAMILY, OWN STOCK IN Twitter, Google - Alphabet, Facebook - Meta, Netflix or**
11 **YouTube or Tesla; as that would be a MASSIVE CONFLICT OF INTEREST IN THIS**
12 **CASE?**

13 Given the suspicious timing of the White House appointments of massively conflicted
14 officials to oversee America's digital infrastructure:

- 15 1. How much did Defendants you know about SANDS CAPITAL'S collusion with the Chinese?
16
17 2. What Defendants you going to do about it?
18
19 3. What assurances can Defendants give us that the tech people you have hand picked are worthy
20 of America's trust?
21
22 4. Will the new systems really protect Americans' privacy, property and security?
23
24 5. Did Defendants know that their Securities Chair held stock in Facebook and Baidu before the
25 Facebook IPO?
26
27 6. Why didn't Defendants personal White House counsels from Perkins Coie LLP, namely
28 Robert F. Bauer and Anita B. Dunn, husband and wife respectively, submit ethics pledges and
financial disclosures? Did Defendants know that Facebook was one of their clients?

TSH

- 1 7. Where are Eric Schmidt’s financial disclosures and written ethics pledges to the U.S.
2 Government?
3 8. Did Defendants know that a Florida judge was ordered to recuse himself from a case where he
4 was Facebook Friends with one of the litigating attorneys?
5 9. What do Defendants 50 million “likes” say about Defendants appointment of two of the four
6 judges in the Leader v. Facebook case, not even counting all their financial holdings in Facebook, or
7 the Patent Office’s “likes”?
8
9

10 DATED this day of the filing of 2022

11 Respectfully submitted,
12
